CAMPS WOLVERINE NORTH AND SOUTH NEARLY SOLD OUT FOR SUMMER 1966

Forty-four unit leaders submitted their \$20.00 camp deposits at the October 13 Camp Promotion Kickoff at Valley View.

This brings to approximately 230 the total number of units that have thus far reserved a camp site for the 1966 summer season at Owassippe. Camp reservations are rapidly disappearing with Camps Wolverine North and South almost completely sold out. Reservations for Camps Blackhawk, Beard, and Stuart are also quickly filling.

This is a significant increase over the number of camp sign-ups at the same time last year when the reservations totalled 100.

Leaders who intend to take their units to camp next summer are urged to send their deposit to the Council Service Center as soon as possible.

How many times have you said or heard some other person say, "It's too late for me to get the boys ready for camp this year."

Please don't let this happen to you!

Now is the time for your unit to plan a trip to Owasippe Scout Reservation, Philmont Scout Ranch or Region Seven Canoe Base. Planning it now insures your getting the week and camp that you want, and time to secure adequate leadership.

This is a good time of the year to start your Scouts and Explorers on summer camp saving record cards available free at the Council office.

ROUNDUP RECRUITERS HONORED BY CHICAGO CUBS

The Fall Roundup Campaign received a welcome assist from the Chicago Cubs when on Saturday, September 25, 1,600 new boys took the Scout Oath on the diamond at Wrigley Field. Both they and their Scout recruiters were guests at the game between the Cubs and the Pittsburgh Pirates.

Cub players met with the top recruiters prior to the ceremonies and accommodated the Scouts by posing for pictures and signing autographs. Cub jackets, gloves, and bats were also given to the top recruiters.

FALL ROUNDUP CAMPAIGN MOVES TOWARD ACHIEVING YEAR-END GOAL

Enthusiastic participation in the 1965 Fall Roundup Campaign has enabled this program to progress rapidly towards the Council's year-end goal of 16,000 new boys. This target will clearly be reached if unit leaders fulfill their pledge of eight new boys per unit. This year the "Years of Decision" goal has been set at 61,413 registered Scouts by December 31, 1965.

Boys must be actively recruited if the Scout movement is to grow. Council Roundup Chairman Maj. Gen. Joseph E. Bastion, Jr., Deputy Commanding General, Fifth United States Army, urges that the best way to recruit new boys is to invite them to meetings and allow them to partake in the

program. Remember, it is up to the active Scouts and their leaders to provide prospective Scouts with these invitations. All eligible boys should be given the opportunity to become Scouts.

STILL TIME TO QUALIFY FOR ROUNDUP AWARDS

There is still time remaining for unit leaders and Scouts to qualify for awards during the Fall Roundup Campaign.

An automobile key will be awarded to each unit leader who achieves his pledge of eight new boys. The "Follow the Rugged Road to Adventure" emblem is depicted on these attractive gold keys which are provided for all makes of automobiles.

Each Scout who recruits a new member will receive a recruiter patch. Each unit achieving its goal by the end of the year will be awarded a colorful "Honor Unit" streamer for their flag.

PROGRAM SET FOR 1965 BIG CUBBERS' POW WOW

South Side Areas C & D, November 13, at Chicago Vocational High School — 1:00 p.m.

North Side Areas A & B, November 20, at Mather High School — 1:00 p.m.

The opportunity for an interchange of ideas and experiences. This is the first of the threefold Pow Wow objectives. The training and inspiration of adult leaders and assistance to Cub packs in planning their year-round program complete these objectives. The Council's 1965 Pow Wow is designed to meet these purposes.

Bring an exhibit — all packs are encouraged to bring a craft exhibit and Cub game to the Pow Wow. Boy-made items should be emphasized and an identifying sign must be included showing the pack number and institution.

All sessions are scheduled, this year, on a four-hour basis. Participants will be able to sign up for only one all afternoon. Sessions will begin at 1:30 p.m. and end at 5:00 p.m. The pack administration and Webelos Den courses are designed exclusively for Cubmasters and pack committeemen. The remaining three courses, handicrafts, games, and skits; puppets; and ceremonies are designed primarily for Den Mothers.

CONGRATULATIONS!

As of the writing of this report, seven unit leaders have earned Breakthrough for Youth automobile keys in recognition of their successful efforts to register the number of new boys they pledged for the fall roundup:

- 726, Thomas A. Seidler, Sr.
- 794, Lloyd Hanson
- 712, Raymon Powell
- 3769, Anthony Sokolowicz
- 3787, Leon Foster
- 2662, Henry E. Dokes
- 2779, Robert Wade

These seven units have brought 90 boys into Scouting since August 1. This is the kind of extra effort that breeds success and satisfaction in a unit. Roseland District takes great pride in issuing hearty congratulations for a job well done to these leaders, their co-workers, and the boys who played such an important part in recruiting.

ROUNDTABLES

The November roundtables will be of great interest to all unit leaders. The Cub roundtable, under the expert guidance of John Boersma, will present ideas on the December theme, "Happy, Game and Fair." Several demonstrations and displays will depict ways in which boys and leaders can add a touch of spirit to the impending holiday season.

The Boy Scout roundtable will have as its theme "Muscle Men," and through the capable leadership of our new roundtable commissioner, Lloyd Hanson, unit leaders will receive some top-level program ideas. Doc Roy Fisher promises his usual fine assistance in breathing life into the Exploring program. This roundtable should be a must for all Advisors.

POW WOW

On November 13, the annual Cub leaders' Pow Wow will be held at Chicago Vocational High School from

1:00 p.m. to 5:30 p.m.

The Pow Wow will cost each participant \$1.00 to pay for materials and use of the facilities. This event will feature excellent programs, on games, crafts, skits, puppets, ceremonies, pack administration, and Webelos den operation.

This is the best chance you will have, as a leader of Cub Scouts, to pick up new ideas, helpful hints, and additional general knowledge of Cubbing. No Cubber should miss this outstanding event.

Attendance at the Cub Pow Wow is necessary for the Den Mother's Award.

REGISTRATIONS

The following units are due to register in November:

- 726, Sts. Peter and Paul Holy Name Society
- 726, Sts. Peter and Paul Holy Name Society
- 745, Colonial Village Community Presbyterian Church
- 2745, Colonial Village Community Presbyterian Church
- 3745, Colonial Village Community Presbyterian Church
- 763, St. Salomea Holy Name Society

It is necessary to get your reregistration to the Council office by the 15th of November in order to get credit in the Achievement Program. If your unit reregisters with less than a 20% loss in boys it is worth an added 10 points. A gross gain in total registration of boys is worth an additional 20 points.

ALONG THE SCOUTING TRAIL

by
Alden G. Barber

Here we go again!
It's Roundup time and everyone in Scouting is issuing invitations.

Boys are asking their friends to join in a troop, pack, or post.

Unit leaders are asking their friends and neighbors to become assistants or to serve on a unit committee.

District leaders are inviting competent men to serve on the district committee. Commissioners are seeking new men to serve on their team.

Why? Because we want to share good things with our friends and because Scouting is not only good but it's growing in your Chicago Area Council.
